PRODUCE

[Barbee Farms](#)

Concord

A variety of fresh produce

Available this Week: We were hoping for it last week and it's finally here...fresh SWEET CORN! Tommy takes great pride in his summer sweet corn. This is one of the first crops he and his grandfather raised together! It is a personal goal to be able to have an uninterrupted supply of the best sweet corn through Labor Day and, as some of you may already know, most times later than that!

Juicy, sweet plums will be new this week too! (Plums were hit hard by the spring cold so there will be a very short season for these this year!) Squash, zucchini, cucumbers, green beans, jalapeno peppers, spring carrots, beets and cabbage, as well as new crop potatoes will all be available this weekend! You may want to grab some Cherokee Purple tomatoes and fresh basil, as well as some fresh strawberries! Also available will be squash blossoms, broccoli, rhubarb, kale, collards, sweet green onions, and sweet potatoes. Don't forget to pick up some farm fresh eggs and some heirloom popcorn, shelled, ready to pop and eat!

Follow us on Instagram and Facebook for those last-minute additions to our market inventory!
